CAYUGA INDEPENDENT SCHOOL DISTRICT

TRANSFER AGREEMENT -- 2025-2026 SCHOOL YEAR

This transfer agreement establishes the terms and conditions for _____ (student's name) to attend the Cayuga ISD public schools as a transfer student for the **2025-2026** school year, although the student is a resident of the _____ ISD. The student's parent(s), _____, requests that the student be permitted to attend District schools in the **2025-2026** school year and agrees to the following terms and conditions for that transfer:

This transfer is effective for the current school year only. District approval of this transfer creates no right or expectation that the student will be admitted as a transfer for any subsequent school year.

This transfer is approved for the named student only. District approval of this transfer creates no right or expectation that another student from the same family will be admitted as a transfer.

The student must maintain acceptable levels of attendance, academic achievement, and compliance with District rules and regulations, including the Student Code of Conduct, throughout the entire school year. Acceptable levels are defined as:

Attendance that does not place the student at risk of losing credit under Education Code 25.092 or require the District to warn the parent or the student of truancy proceedings under Education Code 25.095.

Promotion to the current grade level. High school students must have earned sufficient credits during the prior school year to advance to the next grade classification. The District's administration will consider state assessment results of transfer student applicants. Transfer students, including nonschooled or home-schooled students, must demonstrate an acceptable level of mastery and/or progress on all sections of the most recent state-mandated assessments. Their academic achievement must also result in passing grades in all courses by the end of each semester.

Compliance with the District's rules and regulations, including the Student Code of Conduct, such that no offenses result in removal to a disciplinary alternative education program or expulsion, and no more than three incidences of misconduct that result in in-school suspension (ISS) placements and/or corporal punishment.

In accordance with Board policy FDA(LOCAL), the Superintendent may revoke the transfer of a student who fails to maintain an acceptable level of attendance, academic achievement, or compliance with District rules and regulations, including the Student Code of Conduct, or may initiate withdrawal of a student whose tuition payments are delinquent. Notice of revocation will be sent to the district of residence.

If this agreement is revoked, revocation ordinarily will be effective at the end of a semester; however, the Superintendent has discretion to revoke the transfer immediately if the student's attendance, academic achievement, or compliance with the

Student Code of Conduct falls below the District's acceptable levels. If this agreement is revoked for nonpayment of tuition, revocation will be effective immediately.

Transfer students will be charged tuition in the amount of **\$600** per year. Families will pay a maximum amount of **\$750** per year regardless of how many children they transfer into the District. Tuition will be billed in two equal amounts of **\$300** for one child or **\$375** for two or more children, due on the first instructional date of each semester. If a tuition payment is not received by the due date, the District may revoke the transfer agreement. Tuition will be prorated for students enrolling after the beginning of a semester.

Transfer applications for the current school year will not be accepted beyond the end of the fourth six-week grading period.

The parent or the student will be responsible for transportation to and from the District school to which the student is assigned.

The student and parent acknowledge that eligibility of transfer students for participation in any University Interscholastic League (UIL) activity or other activities governed by UIL rules and regulations will be determined in accordance with UIL rules and regulations.

Except as modified by this transfer agreement, the student will be subject to all policies, regulations, rights, privileges, and responsibilities of enrollment in the District as if he or she resided in the District.

The District and the parent agree that this transfer agreement is the entire agreement controlling the admission and enrollment of the student in the District for the **2025-2026** school year.
