

# Cayuga ISD Police Department

- Cayuga ISD has its own police department which includes police officers certified by the Texas Commission on Law Enforcement and commissioned by Cayuga ISD.
- The police department networks with other agencies in the county to ensure an immediate response to dangerous situations at schools.
- Police officers receive specialized training in school violence and first aid in addition to state-mandated training and CPR courses.
- Drug detection dog searches are performed in the secondary schools.
- An officer is assigned to respond to after-hours school calls as needed.
- The department has police cars enabling officers to quickly respond to any situation that may arise.
- The districts police officers are sworn and certified Texas Peace Officers who have full arresting authority for violation of laws.
- CISDPD Officers attend school events and sporting events to ensure safety and security.
